Our mission —

We are shaping the future of NFT by providing a high-performing launchpad with refundable.

The problems

Endless rug on NFT ecosystem

Up till now, Rug pull are a threat to the NFT ecosystem.

Crypto sentiment after FTX/Luna

Skepticism in surrounding Web3, especially NFT.

Web2 users still reluctant to NFT

Web2 users still rely on warranty system

\$119M in Stolen Crypto So Far in 2023, NFT Rug Pulls on the Rise

"Crystal also found a growing trend of NFT rug pull scams, when project founders disappear with users' funds. In 2022, 48 such scams occurred, 41 of them pulled off in the second half of the year, the report says."

- Crystal Blockchain

The problems

Endless rug on NFT ecosystem

Up till now, Rug pull are a threat to the NFT ecosystem.

Crypto sentiment after FTX/Luna

Skepticism in surrounding Web3, especially NFT.

Web2 users still reluctant to NFT

Web2 users still rely on warranty system

Bear Market, Luna Crash, FTX Meltdown (Survey)

*"**43%** of the US participants in the survey currently have a negative view of digital currencies, while just **8% are supportive of them.**"*

The problems

Endless rug on NFT ecosystem

Up till now, Rug pull are a threat to the NFT ecosystem.

Crypto sentiment after FTX/Luna

Skepticism in surrounding Web3, especially NFT.

Web2 users still reluctant to NFT

Web2 users still rely on warranty system

Web2 Users Don't Want to Play Web3 Games

"Much like non-crypto holders (so-called "normies") were perceived in the earlier days of the crypto space, creators, innovators, and analysts alike believe that Web2 gamers are the key to P2E's proliferation."

Why Refundable?

For Collectors

- Minimize Rug Pull & Protect users in the process.
- Act of safety net for both artist and collectors.
- Allow the collector to feel more secure and less risk taken.

For Creators

- Gain trust from the community
- Supportive Community
- Lead to more sales

Features

Refundable

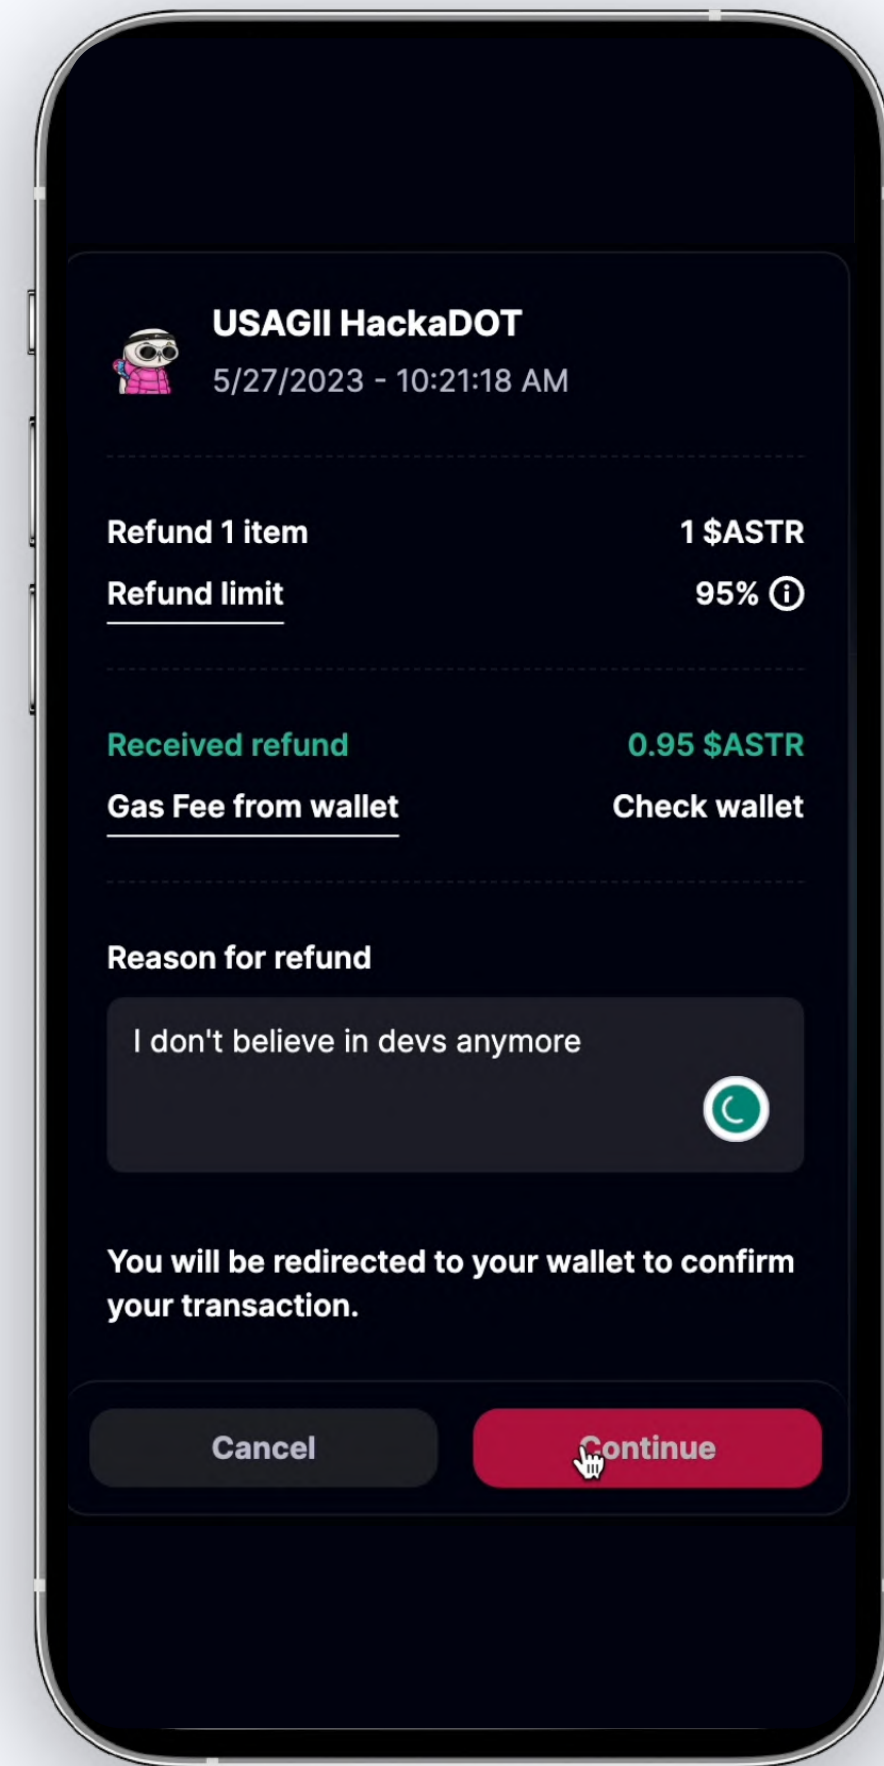

Not sure about how the devs doing? Discord got silent for weeks after mint? Just refund to get your money back

Doxxing

We do KYC to help us know the creator and tell their story to our community.

Secondary Sales

Each ended project will be displayed in our secondary market.
